In the matter of: Request for Review by Rockwood School District of Decision of Universal Service Administrator

Reference: (a) FCC Docket Nos. 97-21 and 96-45 ✓
(b) 471 Application Number 136284

Enclosures: (1) Original 471 Application 136284 with Attachments
(2) Appeal Letter Submitted to Universal Service Administrator
(3) USAC Appeal Decision Letter

This letter is a formal request for appeal of the original funding decision made by the Universal Service Administrator dated August 10, 1999 and the Administrator's Decision on Appeal dated March 22, 2000 both of which denied funding for our reference (b) 471 application.

The Universal Service Administrator denied funding on the original application because "30% or more of the FRN includes a request for phones, which are ineligible products based on program rules." This was not true. Our application and associated Appendix 17 was for the monthly service only.

Our appeal to the Universal Service Administrator was denied because "more than 30% of this request is for cellular service to be used by grounds/maintenance, resource officers, computer center, and food services which are ineligible uses of this service according to program rules". Based on this appeal decision I contacted the Universal Service Administrator and inquired where the "30%" statement can be found. They could not direct me to the program rule where this is stated.

List ABCDE

According to the Schools and Libraries Eligibility List CC Docket No. 96-45, page 3 lists Cellular Service as an Eligible Service when "provided for use at a place of instruction and for educational purposes. The service is not eligible when provided for such uses as security on school buses". The cellular phone service for our schools and the resource officers located at several of our school's, is for educational purposes. The resource officers are both security and educational tools for our students. They conduct safety training and assistance and also provide the school with a safety presence.

Our intent was not to seek funding on the ineligible services for our computer center, grounds/maintenance and food service, but to provide the School's and Libraries Corporation the information on our eligible and ineligible services.

Rockwood School District thereby requests that Erate funding be approved for the cellular service associated with the Nextel phones for our 29 schools (\$40/month x 12 mos.) and 6 resource officers (\$45/month x 12 mos.) for a total funding decision of \$6,864.00 based on our 40% discount status.

I have attached a copy of our original 471 application and the recent denied appeal received from the USAC. Please contact Steve Wester at 636.938.2232 if you have any questions concerning this request for appeal.

Sincerely,

Steve Wester

Subject: Appeal of Funding Decision for Form 471 Application Number 136284

Reference: (a) Erate Funding Decision Letter dated August 10, 1999
(b) Form 471 application 136284

This letter is a formal request for appeal of the funding decision made on your reference (a) letter. The funding commitment decision explanation given on page five of your letter states that we were denied funding because "30% or more of this FRN includes a request for phones, which are ineligible products based on program rules."

I have enclosed an additional copy of the reference (b) application for your review. Please note our Appendix 17 List of Services provides the quantity and monthly service charges only. Our district's Estimated Total Annual Pre-discount Cost (block 5, paragraph 15, column 10) was derived from the Annual Service Charges on Appendix 17. The prices of the phones were not submitted as part of our funding application.

Your consideration of this appeal is appreciated.

If you have any questions please contact Steve Wester at (636)938-2232.

Sincerely,

Steve Wester

Re: Form 471 Application Number: 136284
Funding Year: 07/01/1999 - 06/30/2000
Billed Entity Number: 136875

Thank you for your 1999-2000 E-rate application and for any assistance you provided throughout our review. We have completed processing of your Form 471. This letter is to advise you of our decisions.

FUNDING COMMITMENT REPORT

From your Form 471, we reviewed row-by-row discount requests in Items 15 and 16. We assigned each row a Funding Request Number (FRN). On the pages following this letter, we have provided a Funding Commitment Report for each FRN in your application.

Attached to this letter you will find a guide that defines each line of the Funding Commitment Report and a complete list of FRNs from your application. The SLD is also sending this information to your service provider(s) so arrangements can be made to begin implementing your E-rate discount(s). We would encourage you to contact your service providers to let them know your plans regarding these services.

FOR QUESTIONS

If you have questions regarding our decisions on your E-rate application, please notify us in writing. Your questions should be sent to: Questions, Schools and Libraries Division, Universal Service Administrative Company, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981.

FOR APPEALS

If you wish to appeal to the SLD, your appeal must be made in writing and received by us within 30 days of issuance of this letter as indicated by its postmark. In your letter of appeal, please include: correct contact information for the appellant, information on the Funding Commitment Decision you are appealing and the specific Funding Request Number in question, and an original authorized signature. Appeals sent by fax, e-mail or phone call cannot be processed. Please mail your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981. You may also call our Client Service Bureau at 888-203-8100. While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445 12th Street SW, Room TW-A 325, Washington, D.C. 20554.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step is to complete and submit the enclosed FCC Form 486. This Form notifies the SLD that you are currently receiving or have begun receiving services approved for discounts and provides certified indication that your technology plan(s) has been approved. As you complete your Form 486, you should also contact your service provider to verify they have received notice from the SLD of your commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you. For further detailed information on next steps, please review all enclosures.

POST-COMMITMENT REMINDER

We would like to remind you that all approved applicants are subject to post-funding commitment audits and other reviews by the SLD to assure that the discounts are being used in compliance with the program rules. Any applicant that is found to have violated program rules will be subject to enforcement activities and other means of recourse by the SLD and other appropriate Federal, State and local authorities.

We look forward to continuing our work with you on connecting our schools and libraries together through communications.

Sincerely,
Kate L. Moore
President, Schools and Libraries Division, USAC

EXPLANATION OF A FUNDING COMMITMENT REPORT

Attached to this letter will be a report for each approved E-rate funding request from your application. We are providing the following definitions.

- * **FUNDING REQUEST NUMBER (FRN):** A Funding Request Number is assigned by the SLD to each line completed in Items 15 and 16 of your Form 471 once an application has been processed. This number is used to report to applicants and vendors the status of individual discount requests submitted on a Form 471. Applicants and vendors learned about FRNs when they received their Receipt Acknowledgement Letter and must use these numbers when completing the Form 486 and Invoices. An FRN will never be longer than 10 digits. If a FRN is shorter than 10 digits, applicants are advised to add zeroes to the front of the numbers to reach 10 digits when filing post-commitment forms.
- * **FUNDING STATUS:** Each FRN will have one of six definitions: "Funded", "Denied", "Partially Funded", "Funds Exhausted", "Unfunded", or "As Yet Unfunded". An FRN that is "Funded" will be approved at the level that SLD determined is appropriate for that item. That will generally be the level requested by you unless the SLD determines during the application review process that some adjustment is appropriate, for example, a different discount percentage for that FRN than the Form 471 featured. A "Denied" FRN is one for which no funds will be committed, and the reason for that decision will be briefly explained in the "Funding Commitment Decision", and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation". In accordance with FCC program rules, FRNs are "Partially Funded" or "Unfunded", if the total amount of funds in the Universal Service Fund is insufficient to fully fund or fund all approved requests. If the Form 471 was received after all the funds in the Universal Service Fund were allocated and it was processed, the status will indicate "Unfunded - Funds Exhausted". "As Yet Unfunded" is a temporary status that would be assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for a particular service type at a particular discount level. For example, if your application included both telecommunications services and internal connections, you might receive a letter with our funding commitment for your telecommunications requests and a message that your internal connections requests are "As Yet Unfunded". You would then receive a later letter regarding our funding decision on your internal connections requests.
- * **SPIN (Service Provider Identification Number):** A unique number assigned by the Universal Service Administrative Company to vendors seeking payment from the Universal Service Fund for participating in the universal service support programs. A SPIN contains 9 digits and should be included by applicants on their completed Form 471 applications. A SPIN is also used to verify delivery of services and to arrange for payment.
- * **SERVICE PROVIDER NAME:** The legal name of the service provider.
- * **PROVIDER CONTRACT NUMBER:** The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.
- * **SERVICES ORDERED:** The type of service ordered from the service provider, as shown on Form 471.
- * **EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT:** The first possible date of service for which the SLD will reimburse service providers for the discounts for the service. Note: If the actual service start date provided on a Form 486 is later than this date, the actual service start date set forth in the Form 486 will be the effective date of the discount.
- * **CONTRACT EXPIRATION DATE:** The date the contract expires. This will be present only if a contract expiration date was provided on Form 471. This is not applicable for tariff services.
- * **SITE IDENTIFIER:** This will appear only for FRNs listed in Item 16 of your Form 471. For public schools, the 12-digit NCES code you listed in Item 14 for this school site will appear here. If there is no NCES Code for an FRN in Item 16, the SLD-assigned entity number will appear here.
- * **PRE-DISCOUNT COST:** Amount in Column 10 of Item 15/16, Form 471, as determined through the application review process. Please note that, during the Problem Resolution process at SLD, the amount in Col. 10 of Item 15/16 may have been corrected to conform to the information provided about Service Start Date and

Monthly Costs.

- * DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.
- * FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD is now reserving to reimburse service providers for the discounts for this service through June 30, 2000. This figure may be different from the Estimated Total Annual Pre-Discount Cost (Col. 10 of Item 15/16) times the Percentage Discount (Col. 11 of Item 15/16) in the 471 application. It may be lower because of an adjustment determined appropriate by the SLD, such as of the discount percentage, or a denial of discounts and, if so, the accompanying comment will explain this difference. The difference may also reflect a reduction from the request level made necessary by overall funding limitations, in which case the "Funding Status" above will indicate "Partially Funded" or "Unfunded". Whatever amount is listed here, it is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts on only eligible, approved services actually rendered.
- * FUNDING COMMITMENT DECISION EXPLANATION: This entry may appear to amplify the comment in the "Funding Commitment Decision", if the discount request for this service is denied for reasons other than "Unfunded" or if the SLD determined that some adjustment to the request level was appropriate.

Re: Billed Entity Number: 136875
 Application Number: 136284
 Funding Request Number(s): 205365
 Your Correspondence Received: August 23, 1999

After thorough review and investigation of your appeal, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company has resolved your appeal seeking approval of additional discounts for the second program year. This letter addresses our decision concerning each Funding Request Number that was included in your letter of appeal for the Application Number cited above. If your letter of appeal addressed more than one Application Number, a separate letter will be issued to inform you of our decision on the appeal of each Application Number.

Funding Request Number: 205365
Decision on Appeal: Denied in full

Denial Reason(s):

- Applicant documentation supports that this is not a request for phones, but for cellular service. This FRN must still be denied because more than 30% of this request is for cellular service to be used by grounds/maintenance, resource officers, computer center, and food services which are ineligible uses of this service according to program rules.

If you feel further examination of your application is in order, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12TH Street, SW, Room TW-A325, Washington, DC 20554. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted to the SLD Web Site at <www.sl.universalservice.org>. You must file your appeal with the FCC no later than 30 days from the date of the issuance of this letter, in order for your appeal to be timely filed.

You should now move ahead, if you haven't already done so, with your Form 486 and related post-commitment arrangements for services for which funds have been committed and services have begun to flow. We thank you for your continued support, patience, and cooperation during the appeal process.
